LEX
WINSMORE

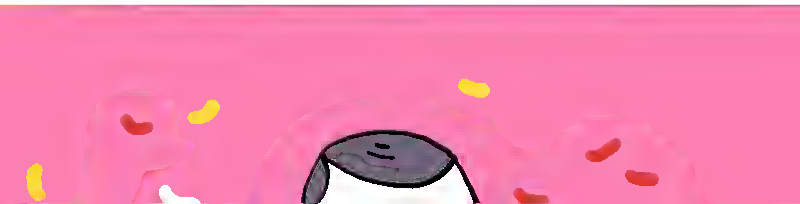
Let me tell you about

my uncle, Lex Winsmore.

He was born during the Super Bowl, and immediately scored the winning touchdown.

Soon after, he cured all of the world's major diseases, winning a whole pile of awards in the process.

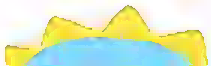
He then went on to become a legendary film-maker, and brought about world peace with his work.



He celebrated his 6th birthday with his family shortly afterwards.

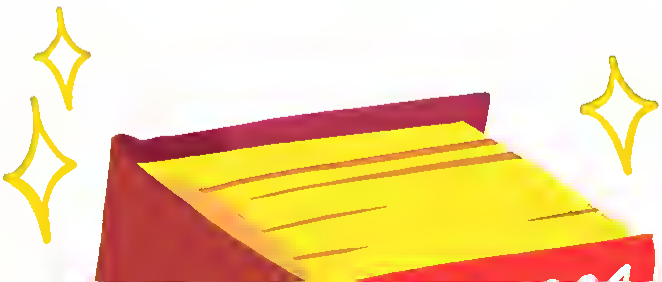
After countless achievements ...

... in every known area of life ...



... and some

new areas, which he discovered just to win at them ...



... Lex wrote this book. *The 1,001 Steps to Being Maybe Half as Successful as I Am* A 6,000 page guide to succeeding in life, kind of.

It was an instant

best-seller and won 538 awards.
